

Leaving a Bequest

Thank you for considering a gift in your will to Wildlife Conservation International (USA). Your gift will leave a legacy of hope to Critically Endangered orangutans, elephants and Sumatran tigers in their natural habitat.

Wildlife Conservation International, United States EIN 84-1899559 , is a registered non-profit entity 501(c)3. [View information on the IRS website here.](#)

You can choose to leave a gift to any one of our species-specific conservation projects - *The Orangutan Project (TOP)*, *International Elephant Project (IEP)* and the *International Tiger Project (ITP)* or you can simply choose to leave a gift to Wildlife Conservation International USA, to benefit all three species.

Because wills are technical documents it's best to seek legal assistance to ensure they are correctly worded. Suggested clauses to discuss with your estate planner are below.

For a General Bequest:

"(A) I give to Wildlife Conservation International USA (WCI) or any corporation to which WCI USA's registration is voluntarily transferred under Section 501(c)(3) of the Internal Revenue Code, the sum of \$..... [or.....%] of my estate, free of State and Federal duties, for general use.

(B) If the gift in (A) cannot take effect completely or at all, to the extent that it cannot take effect, I give it to the charitable organisation or organisations which my executors consider most nearly fulfil or fulfil the objects I intend to benefit.

(C) The receipt of the treasurer, secretary or public officer for the time being of the beneficiary organisation is an absolute discharge to my executor(s)."
